To Yethembe Group

On 2022/03/19 the company issue an Invoice (INV1290) To be paid by Mozambique-based H&H Limitada / ARJ. The instruction for payment of ZAR R2,270,000.00 was made but in advance of ZAR 1,600,000 on 2022/03/22. The deal was between Yethembe and H&H Limitada / ARJ though Miss Cheila Denise dos Santos Zulunhane the person who made the transfer to the companies referred below.

The Centre for Investigative Journalism understands that this sum was for payment of coal that was supposed to have been supplied by the Yethembe Group and which never arrived in Mozambique.

Our questions is:

1. what happened for the coal not to be supplied for over

a year?

2. Why did the wasn't send back?

All the best
